In addition, applicants are eligible if the facility does not provide the majority of the meals (over 50 percent of three meals daily) as part of the facility's normal services in accordance with 7 CFR 273.1(b)(7)(vi) and MPP Section 63-402.4.

2. Yes, SUA would be allowed based on the implementation of ACL 12-61 Heat and Eat Program where CalFresh recipients currently receive a LIHEAP benefit in which automatically makes the household eligible to receive SUA.
